"The dangers of arbitrary and inconsistent viewpoint censorship are only increased when enforced by police states masquerading as democracies using opaque procedures that fall woefully short of due process and are insensitive to local context, including sarcasm, lampooning, humour, satire and parody."

**Premier Rachel Notley** 

FIGHTING FOR YOU

## Roger Waters

Operation 'Palestine Justice' is designed to tell the world the truth about Palestine.

The so-called 'West Bank,' refers the heart of Israel, which for a short time in history, was once the western rump of the Hashemite Kingdom of Jordan.

The Gaza Strip is a narrow strip of land on the eastern Mediterranean that, technically, still belongs to Egypt. Calls for a Palestine state in Israel are therefore bogus.

### LEGISLATIVE ASSEMBLY ALBERTA

#### Hon Jason Kenney PC MLA

Leader, Her Majesty's Loyal Opposition

March 4th, 2019

Andrew Scheer Leader Her Majesty's Loyal Opposition Ottawa;

Doug Ford Hashish Kingpin Province of Ontario;

Scott Moe Chinese Envoy Province of Saskatchewan;

Sirs:

Since the bleeding heart, Trudeau Liberal government's legalization of marijuana, our various police departments have been wailing and howling that their former monopoly over marijuana is in serious jeopardy. I agree whole-heartedly.

I know that in Saskatchewan, the provincial government has been thwarting the roll-out of Trudeau's legalization by granting sales licences (in fair and unbiased lotteries, wink! wink!) for legal marijuana only to former police officers and/or their agents. And in Ontario, it is only available on-line, until later this year when a similar Saskatchewan-style lottery will issue sales permits only to police agents.

When I become Premier here in Alberta later this year, I will implement similar schemes in this province, such that the availability of marijuana will be severely hamstrung until such time that our police forces regain their monopoly control.

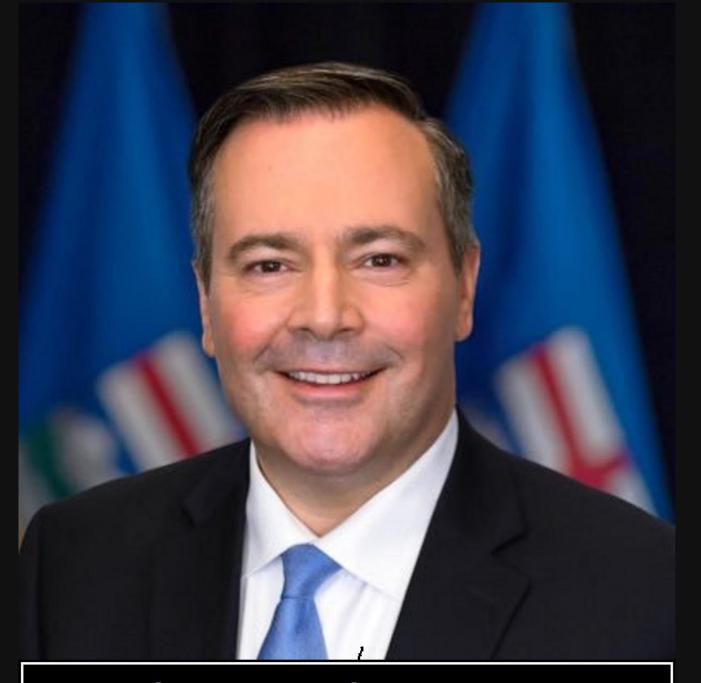

And I know that when we Conservatives are back in power federally, we will once again recriminalize marijuana possession. This will help our police forces regain total monopoly control over the distribution, sale and use of marijuana. Just like in the good old days.

So, until then, when I become Alberta Premier, I pledge to join Premiers Ford and Moe in thwarting the roll-out of legal marijuana. Our police must have their marijuana monopoly fully restored.

Yours Sincerely,

Hon Jason Kenney PC MLA Leader, Her Majesty's Loyal Opposition Conservative Premiers conspire to stymie the roll-out of Trudeau's marijuana legalization.

"I legalized marijuana because 1 wanted our police to *fight* organized crime, not to continue being organized crime."

My ultimate goal is to separate from Canada and join the USA.

#### MORNING STAR EXCLUSIVE

## PRESIDENT TRUMP **DEFECTS TO** RUSSIA!

#### Pence now becomes the 46th American President.

EXCLUSIVE

AMERICAN President Donald J. Trump, has stunned citizens of the United States (and indeed, the world) by defecting to Russia. Greeting him with open arms at the Sochi International Aerodrome was his good friend, Russian Federation to Russia. Greeting num with open arms at the soon meet meet, "gushed President Putin enthusastically.

President Vladimir Putin. Welcome to Sochi, your new home!," gushed President Putin enthusastically.

Packed tightly aboard Air Force One was all the gold that once remained in Fort Knox, shoe-homed into the plane by the turncoat President's loyal supporters, known as Q-Anon. Trump, who was in fact, broke, says he plans to use some of the gold to buy a sumptious dacha in the area, once known for hosting the Winter Olympics.

MEANWHILE back in the United States, FBI Special Counsel Robert Mueller is being accused of covering up for the modern day Benedict Arnold by not providing evidence of Trump's vile perfidy, which as been bruited about at least since 2016, when the Steele Dossier was publicly released. Mueller categorically denied this, saying that his investigation is what caused the traitor President to bolt to Russia.

DURING a rare midnight meeting of the American Congress, Vice President Pence was quickly sworn in as America's 46th President. House Speaker Nancy Pelosi, obviously nervous during the rushed swearing-in ceremony, spilled her glass of water all over the new President. "Don't worry," she nervously giggled, "it's not like it was spiked with polonium

THE new President's first act was to appoint a Canadian, Texas Senator Ted Cruz as Vice President. "I didn't want House Speaker Pelosi to get any closer to the Oval Office," opined President Pence. "This puts her back to third in succession." Pelosi promised to make Cruz's confirmation hearing "a living hell," and asked, "shouldn't he be deported back to Canada, or something?"

PRESIDENT Pence immediately went to work and will try to extricate his nation from the quagmire in Venezuela. After launching an invasion in the spring of 2019, American forces are bogged down against fierce Venezuelan resistance fighters, who are giving them hell. "I think it's actually guerillas imported from Cuba who are making things difficult," said Pence. "I will ask the Joint Chiefs to draw up plans to bombard the shit out of that little . . . Turn to page 2

Pence flummoxed: "I never seen it coming . . . I mean, who could ever believe that Donald Trump was capable of such dastardly perfidy?
